Sir:

Your Petitioner, **Gidon D. Stern** represents that he is one of the attorneys of record for Quanam Medical Corporation, the assignee of the entire right, title and interest in and to the above-identified application, by virtue of an Assignment which was recorded on October 22, 1999, at reel 010324, frame 0036, during prosecution of prior application Serial No. 09/335,438, filed June 17, 1999, now abandoned. The above-captioned patent application is a continuation of application Serial No. 10/330,517, filed December 26, 2002, now U.S. Patent No. 6,653,426, which is a continuation of application Serial No. 09/632,482, filed August 3, 2000, now U.S. Patent No. 6,530,950, which is a divisional of application Serial No. 09/335,438, filed June 17, 1999, now abandoned, which claims benefit of provisional application Serial No. 60/115,609, filed January 12, 1999.

Petitioner submits that Quanam Medical Corporation is also the assignee of the entire right, title and interest in and to U.S. Patent No. 6,530,950, which issued on March 11, 2003, by virtue of an assignment which was recorded on October 22, 1999, at reel 010324, frame 0036.

Petitioner hereby disclaims the terminal part of any patent granted on the above-identified application which would extend beyond the expiration date of U.S. Patent No. 6,530,950, which issued on March 11, 2003, and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U.S. Patent No. 6,530,950.

Petitioner further agrees that this agreement is to run with any patent granted on the above-identified application and is to be binding upon the grantee, its successors, and assigns.

Petitioner does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of U.S. Patent No. 6,530,950 in the event that said patent later expires for failure to pay a maintenance fee, is held unenforceable, is found

invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to the expiration of its full statutory term, except for the separation of legal title stated above.

Petitioner hereby confirms that he has reviewed the assignment and, to the best of his knowledge and belief, title is in the assignee seeking to take action in this matter and that he is empowered to act on behalf of Quanam Medical Corporation.

Petitioner hereby declares that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Signed this 18th day of April, 2006.
